

NAPO Board of Directors CALL FOR NOMINATIONS 2006

The National Anti-Poverty Organization is governed by and is accountable to its members. NAPO's mandate is to represent the voices of poor people at the national level and to support local and regional anti-poverty groups throughout the country.

There are 22 seats on NAPO's Board representing the 10 provinces and 3 territories. This year, there are 17 positions up for election for 1 or 2-year terms.

NOMINATION PROCEDURES

NAPO works to have each seat filled by nomination and election. An election takes place if there is more than one nominee for a seat.

Nominees must be regular members who have paid their annual membership fee. A regular member either lives in poverty or has lived in poverty. All nominations must be verified by the Nominating Committee.

To be eligible nominees must regularly reside in the province or territory they wish to represent and be supported by 2 current members (individual, associate or organizational) from the same province or territory. No nominees who would like the names of other NAPO members in their area should contact the NAPO office at 1-800-810-1076 or napo@napo-onap.ca.
